# Conversion of CO<sub>2</sub> on nanostructured catalysts

Author: Karolína Simkovičová

Supervisor: doc. RNDr. Libor Kvítek, CSc.

Consultant: RNDr. Štefan Vajda, CSc., Dr. habil. (Jaroslav Heyrovsky Institute of Physical Chemistry, CAS)

Department of Physical chemistry

Study programme: Material chemistry

J. Heyrovský Institute  
of Physical Chemistry

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 810310

Czech Academy  
of Sciences
